

Physics Graduate Student Council

NEWSLETTER

January 21, 2020

Announcements:

● Committee Signups

How much PGSC can do is limited by how many people help out. Consider joining the mailing list for one of our committees: Social Activities, Professional Development, Peer Mentoring, and Recruit & Welcome.

*Sign-up: pgsc.physics.wisc.edu/join/

● Grad Student Lounge Update

The grad lounge renovations are complete! A huge thank you to the department and Aimee Lefkow. Check it out at cookie time!

*Note: The department DOES NOT clean the lounge for us (neither does the PGSC), so everyone needs to help keep things tidy.

● Peer Mentoring Signups

If you didn't sign up in the fall, now is your chance to become a peer mentor/mentee!

*Sign-up: pgsc.physics.wisc.edu/pm/

● Slack Workspace Invite

The physics grad student Slack is a great place to organize study groups and social outings, or just chat! Sign up with your Wisc email (you may need to use a private tab).

*Sign-up: <https://tinyurl.com/pg-slack>

Upcoming Events:

(watch your email for more details)
